# THE SHOW MUST GO ON

# It's good to see you again!

We are so glad to be back on the main stage at Theatr Clwyd, doing what we love best!

Over the past couple of years Tip Top moved online, running a whole season of events via zoom. Dance workshops, Quizzes, Open Mic nights, Bingo, play readings, you name it; we did it. What became apparent is that we were all desperate to see each other. So when given the opportunity to get a compilation show together it was clear we wanted something that lots of our members could get involved in.

We cast 3 groups and started rehearsing separately. The rules and guidelines have changed quite considerably during our rehearsal process and so we have had to be flexible and adapt quickly. I think the final result is something really special and we hope that you enjoy it as much as we have enjoyed putting it together.

We have learnt so much over the pandemic. Its given us a different perspective and we have been able to re-evaluate what is important.

We have realised that we need to do more of what we love, that we need to take time to look after ourselves and we know that it's people that matter.

Whilst we re-avaluate what's important to us we would love your thoughts on Tip Top Productions. Please take a few minutes to fill in the form on our website.
